

CASH AND WASH TECHNICAL WORKING GROUP

WEBINAR

Cash and WASH Technical Working Group (TWG): At the service of National Societies

Cash for WASH is an area of growing interest and importance in the Red Cross Red Crescent Movement. The [Cash and WASH TWG](#) was created and started in October 2020 with members of National Societies, IFRC and ICRC. The year 2021 recorded great achievements as a result of efforts by all its members.

The overall objective of this webinar is to raise interest on cash for WASH outcomes and increase the membership of this TWG to more National Societies worldwide. This webinar will:

- Present the achievements of the TWG in 2021
- Present the workstreams identified in the roadmap development of the TWG for 2022-2024
- Explain the new internal organization of the TWG and how to join the TWG

This webinar is intended for WASH and/or Cash staff and volunteers from National Societies, IFRC and ICRC. Speakers include members of the TWG (both Cash & Markets and WASH practitioners from IFRC and National Societies).

The webinar will be repeated three times at different day and time. It will be delivered in English, but some sessions will have simultaneous translation in Arabic, Spanish and French. The webinar will last one hour.
