# VOUCHER ASSISTANCE TERM

The diagram features a large, light gray arrow pointing to the right, which is partially obscured by a dark gray, textured arrow pointing to the left on the left side. Below this, there are two horizontal bands. The top band is light gray and contains a dark teal rounded rectangle with the text 'INTERSECTORAL'. The bottom band is light blue and contains a blue rounded rectangle with the text 'SECTOR SPECIFIC'. To the right of these, there are two more rounded rectangles, one dark teal and one blue, with the text 'BA' and 'MU' respectively, though they are partially cut off.
