

Call for enrolments!

As a cash specialist, you know better than most people, that cash and voucher assistance gives choice, opportunity and dignity to those affected by crises and plays an important role in survival and recovery when disaster strikes.

The Cash Hub has developed a unique 'on the job' Cash Practitioner Development Programme for cash specialists like you, looking to further develop their expertise. The 6-12-month flexible programme offers an excellent opportunity for relevant and meaningful professional development, enabling you to increase

your effectiveness and impact in the area of CVA, and advance in your career.

Graduates from previous cohorts have described it as **"eye-opening"**, full of **"new learning and ideas"** and **"practical cash skills"** and **"an amazing experience"**.

What sets this programme apart is the way you can customise your own learning journey to suit the needs of your current role, as well as targeting priority areas for your professional development.

Participants receive a range of benefits from the programme:

- **Regular mentoring** by an experienced cash specialist practitioner, carefully matched to you according to your area of interest and preferred language
- **Enrolment on relevant online and in-person training courses**
- **Supervisory support** from cash technical experts
- **Up to 2 international deployments** hosted by RCRC National Societies and through a partnership with CashCap, providing you with on-the-job learning opportunities
- **In-person onboarding and graduation** events where you meet the rest of your cohort and the team of mentors, alumni and faculty that support you
- **Online cohort meetings and webinars** that enable you to feel part of a global learning community
- **Your own action research project** to contribute to the body of evidence for CVA
- **PHAP Certification** early in the programme and HPass certification on graduation
- **Invitation to join the Cash Register** on graduation

If you are already interested and would like to find out more, please contact us at cashschool@redcross.org.uk – we would love to hear from you!

IF YOU ARE A GRADUATE OF THE CPDP, you've already experienced all this for yourself, and your commitment to learning will inspire others!

As you confidently apply your new knowledge and expertise in leading cash assistance, please share your story with colleagues and those in your wider network.

This year, the CPDP will become even more accessible to a diverse, global audience, offering mentoring and training courses in different languages as we move to create a regionally distributed model for the Cash School. We would love you to be part of it!

If you would like to nominate a colleague who would benefit from what the Cash School offers, please ask them to contact us at cashschool@redcross.org.uk

“
The programme is building a credible reputation as a one-of-a-kind programme for cash practitioners.”
