### OBJECTIVE OF THE TRAINING:

To provide Movement staff and volunteers with the appropriate knowledge and capacity to understand their role in implementing cash and Voucher Assistance (CVA) and have the required skills and knowledge to do so for increased programmatic effectiveness, efficiency and quality.

The training will aim to achieve the following learning objectives:

- Ensure understanding of cash modalities and delivery mechanisms, and the ability of all departments to speak the same language around CVA
- Develop core department-specific functions for delivering CVA
- Build and strengthen inter-departmental understanding of all the functions involved in CVA and their reliance on each other
- Share best practice among teams

## CROSS DEPARTMENTAL OBJECTIVES:

- Response options analysis – where the departments fit and work together.
- Risk analysis as a part of modality decision making
- Monitoring – Financial (Fin) / Retail (Log) / ICT (IT)

## TARGETED AUDIENCE:

The training is designed to provide the basic skills and knowledge of tier/level 1 of the Movement competency framework to allow the person to undertake their routine work.

The three core support service departments targeted will be:

Supply Chain (Logistics, Procurement), Finance (Finance & Admin) and IT. Each of these departments will have specific objectives within the training as well as cross-cutting objectives that will be targeted at all departments.

### ORGANIZATION

To be part of the Red Cross Red Crescent Movement either as volunteer or staff of a National Society, the ICRC or the IFRC

### ROLE

To have a role in either of the following areas: Logistics, Procurement, Finance, IT, Legal, M&E.
